Safety Precautions: *Help us keep camp open this summer!*

- We encourage vaccination against COVID-19 to protect both children and camp instructors and prevent closures. If children are unvaccinated, we encourage parents to provide a recent (within 2 days) negative test result for COVID-19 at the beginning of camp.
- We ask all camp-goers, instructors, and volunteers to wear a face mask over their mouth and nose while indoors.
- Lunch and snacks will be eaten outdoors if weather permits.
- Campers will be sent home if exhibiting any flu-like symptoms.
- If a camper's household member tests positive for or exhibits symptoms of COVID-19, we ask that the camper quarantine at home and seek a COVID test. They can be refunded or transferred to a different week of camp to make up lost days.
- If a camper tests positive for COVID-19, we ask that they stay home for 5 days if asymptomatic or 10 days from the onset of symptoms. Missed camp days can be refunded or transferred to a different week of camp.
- Camp may be canceled if too many camp staff need to isolate or quarantine for COVID-19.
